## 2023 CONFERENCE PARTICIPANT TESTIMONIALS

**“I am walking away with more passion for the work we are doing. I also have learned to go into each session with an open mind and not to feel like I have to have all the answers.”**

**“Takeaway: celebrate big for the small changes.”**

**“Best conference thus far that I have been a part of!! I loved learning about using your curriculum with prenatal caregivers.”**

**“Nurturing Families is an effective program for many populations. It is very important meet the clients at where they are at, be respectful, empathic, and patient.”**

**“These two days reminded me of why we are a part of Nurturing Families Program. Focus on specific family types such as foster families and prenatal. I was inspired by the passion and dedication”**
