Phone: [512.385.8400](tel:512.385.8400)

6711 East Ben White Blvd | Austin TX 78741

[www.holidayinn.com/austinarptx](http://www.holidayinn.com/austinarptx)

---

### In this one-day Networking Conference, Texas Trainer/Consultants will learn:

- What others are doing throughout the state
- How to assess agency needs for higher quality NP services
- How to deliver evidence-based and trauma-informed NP trainings
- How to create an agency plan to deliver NP services to fidelity
- How to provide technical assistance and oversight with the focus on NP fidelity, cultural competence, quality assurance, and methods for participant retention
- How to effectively collect outcome and process data as it pertains to NP services.
- How to better utilize and interpret data from the Adult-Adolescent Parenting Inventory (AAPI-2)

---

### Who should attend?

Texas Trainers/Consultants:

- Wanting to increase their knowledge and skills in the Nurturing Program
- Seeking updated information on the Nurturing Program and how to support their local agencies run to the highest level of fidelity
- Wanting to be an affiliate of the Family Nurturing Center of Texas as an individual or agency

---

*The Nurturing Parenting Program (NPP) is recognized by SAMSA and NREPP for being an effective evidence-based program with a proven track record of successful interventions working with at-risk youth and parents. Departments of Social Services, Mental Health, and clinicians have relied on Nurturing Programs for over 30 years as an effective approach to breaking generational cycles of child maltreatment and family dysfunction associated with trauma and loss.*
